

GET 2 YEAR FREE USE OF THE PLEGIUM APP

1. DOWNLOAD THE APP

Download the **Plegium** app from the App Store or Google Play Store.

Search for **Plegium**, install it, and open the app.

2. CREATE AN ACCOUNT

Create an account with your email address and password.

Verify your account if asked and follow the instructions in the app.

3. ENTER YOUR PHONE NUMBER

Enter your phone number when asked.

If the app says there is **no active subscription** or shows a 7-day trial screen, **close the app** and move on to **step 4**.

4. REQUEST THE TWO YEAR FREE SUBSCRIPTION

Go to www.plegium.com/pages/nlsp or use the QR code and request the free 2-year subscription.

Use the **exact same account details** as you used in the app.

Support may respond quickly, but it can take up to **72 hours**.

5. ACTIVATE YOUR ACCOUNT

After Plegium sends you a confirmation email about your subscription

Open the app again.

Log in using the **Prepaid** option to activate your account.

6. FOLLOW THE PRODUCT INSTRUCTIONS

Once activated, follow the instructions in the app or on the back of the packaging.

Important: Remove the battery blocker before activating the test lever. If the lever is already activated when the battery blocker is removed, the device will immediately start the test function. If you want to test the device make sure to hold the lever down for about **10 seconds** to complete the test.
